Rebling Plastics Authorized Distributor List

Rebling Plastics now sells its aircraft battery products through Authorized Distributors. Rebling will continue to sell directly to governments, research institutions, non-aircraft applications, and OEMs who meet minimum quantity levels. All repair stations, airlines, resellers/brokers, and other distributors must place orders through the following authorized distributors:

We have chosen these distributors because of their reputation for outstanding customer service. Their expertise in the aircraft industry will improve the service we can provide to the end user. Each authorized distributor stocks the most popular products for quick delivery. They also have staffs who can help you with your purchasing or technical questions. Of course, you may also contact Rebling Plastics directly with technical questions, or visit our website www.reblingplastics.com for drawings and data sheets for all of our battery products.

If you have any questions, please feel free to call me at 800-220-1594 ext. 203.

Regards,

Nate Bower
President
